6:23 PM
6/18/2014

And this is one of the edit functionality for it. It is similar for the staff and hospital pages.

The screenshot shows a web browser window with the address bar displaying `localhost/hospital/?page=edit`. The browser's tab is titled "Starter Template for Boot: x". The page features a dark navigation bar with links: "Hospital", "Home", "Hospitals", "General Staff", "Patient", "Physician", and "Register". The main content area has a light blue background and contains a white rounded rectangle with the following text and form elements:

Edit Robb Stark's information
Please enter patient's new location:

New Name:
New Phone Number:
New Address:
New City:
New Province:
New Postal Code:

The Windows taskbar at the bottom shows various application icons and a system clock indicating 6:24 PM on 6/18/2014.

This is one register page which provides adding an entry into the database. It could either be staff, patient or an appointment. The staff was selected and prompts the user to enter information about a staff.

Just like the patients page, the hospital page provides available hospitals, rooms of the hospital, edit and delete functionalities. Plus it also provides a min/max functionality to determine which area has the most staff members.

The screenshot shows a web browser window with the URL `localhost/hospital/?page=hospital`. The page has a navigation bar with links: Hospital, Home, Hospitals (active), General Staff, Patient, Physician, and Register. The main content area displays a table titled "All Available Hospitals".

Hospital	Address	City	Postal Code	Province	Number of Staff	Rooms	Modify
Iron Council Hospital	3453 Oldsmith Drive	Vancouver	V6R 3T8	British Columbia	14	Rooms	Edit Delete
Montreal General Hospital	4421 Biggums St	Montreal	G6F 9T5	Quebec	8	Rooms	Edit Delete
St Kings Hospital	2342 Helpme St	Toronto	K5R 3N8	Ontario	7	Rooms	Edit Delete
St Peters Hospital	4644 Silky Way	Vancouver	V7P 4M2	British Columbia	12	Rooms	Edit Delete

Below the table, there is a section titled "Working Area with Minimum staffs" and a "Refresh" button.

This is the staff page with similar functionality. It also provides division functionality to determine who has multiple positions or just one position.
